MDIA's List of Technical Expert Natural Persons

Technical Expert Natural Person	Domain of Expertise	Sub-Domain	Technical Merit	Contact details
Alexei De Bono	• Artificial Intelligence • Data	• AI Design and Development through Data Science • Customer Profiling Models • Data Science and Data Modelling Techniques		alexei@ideamalta.com
Andrew Carl Sammut	• Artificial Intelligence	• Data Management and Analytics • Development in: Cloud Infrastructure (Azure Data Stack) • C#; Python, JAVA; MySQL; MATLAB; HTML; CSS; Javascript; C; C++; Ruby; Scala, Ajax, Data Analytics Expressions (DAX); JSON		andrew.sammut@hipposcripts.com

Twenty20 Business Centre, Triq l-Intornjatur, Zone 3,
Central Business District, Birkirkara CBD 3050

+356 2182 8800 info@mdia.gov.mt

www.mdia.gov.mt

Daniel Caleb Thompson-Yvetot	• Information Security and cybersecurity	• Cyber Resilience Act	• Regulatory and Risk	denjell@crabnebula.dev
Dylan Seychell	• Artificial Intelligence	• Python, OpenCV, Android, C, C++, C#, Java, Processing, SQL, R, TensorFlow • Specialization in Computer Vision		dylan@seytravel.com
Jose Ignacio	• Distributed ledger technology and decentralised ledger technology • Artificial Intelligence	• DLT systems and DLT system architectures • Associated application servers, enterprise systems, container technology (ex: Docker)		ignacio@decordoba.com
Keith Barbara	• Information security and cybersecurity	• Infrastructure cybersecurity	• Auditing of infrastructure (cybersecurity)	keithbarbara1984@gmail.com

Twenty20 Business Centre, Triq l-Intornjatur, Zone 3,
Central Business District, Birkirkara CBD 3050

+356 2182 8800 info@mdia.gov.mt

www.mdia.gov.mt

Kurt Abela	• Artificial Intelligence	• Natural Language Processing (including LLMs and machine translation) • Computer Vision	• Assessment and Auditing • Project Management • Development Training	kurtjosephabela@gmail.com
Matthew Demicoli	• Information Security and Privacy • Data	• Governance; Risk, compliance, advisory; Training Project management • Governance; Risk, compliance, advisory; Project Management		contact@matthewdemicoli.com
Matthew Galea	• Artificial Intelligence • Data	• Data Science • Large Language Models • Data Collection • Processing for Artificial Intelligence	• Development, with demonstrated experience in Project Management • Assessment and running of a company in this particular field	matthew@neuralai.mt

Twenty20 Business Centre, Triq l-Intornjatur, Zone 3,
Central Business District, Birkirkara CBD 3050

+356 2182 8800 info@mdia.gov.mt

www.mdia.gov.mt

Matthew Montebello	• Artificial Intelligence			matthew.montebello@um.edu.mt
Matthew Scerri	• Artificial Intelligence • Distributed ledger technology and decentralised ledger technology • Information security and cybersecurity • Innovative technology audit • Digital Identity	• AI Logic design and architecture • Smart contract, Design Architecture and DLT architecture and design • Secure programming techniques and best practices	• AI technical compliance • Assessment of DLT systems	matthew.scerri@gmail.com
Natalia Mallia	• Artificial Intelligence	• Design, development and deployment • AI awareness (public use of AI)	• AI Literacy Training and Training on Responsible use of AI • Design and Implementation of AI Systems	natalia@retrogradientlabs.com

Twenty20 Business Centre, Triq l-Intornjatur, Zone 3,
Central Business District, Birkirkara CBD 3050

+356 2182 8800 info@mdia.gov.mt

www.mdia.gov.mt

	• Data • Internet of Things	• Design, development and deployment • Design, development and deployment	• Data ingestion and preprocessing pipelines, predictive models • Operational dashboards under infrastructure constraints • Integration dependencies, validation requirements, and deployment constraints of IoT devices • Multi-sensor activity recognition • Product delivery on various platforms and technologies	
Sandro Psalia	• Artificial Intelligence	• Regulatory and Risk	• Governance and Assurance	spsaila@deloitte.com.mt

Twenty20 Business Centre, Triq l-Intornjatur, Zone 3,
Central Business District, Birkirkara CBD 3050

+356 2182 8800 info@mdia.gov.mt

www.mdia.gov.mt

	• Distributed Ledger Technology • Information security and cybersecurity • Innovative technology audit	• Technical, Regulatory and Risk • Technical, Regulatory and Risk • Technical, Regulatory and Risk	• Technical Review, Governance and Assurance • IT Auditing	
Pranjal Jain	• Data	• Implementation of architectural designs and development of data-centric systems		pranjal@logikview.com
Trevor Axiak	• Information Security and Cybersecurity	• Information Security Auditing [ISACA, [QSA] PCI DSS, SSCP, CISA]		trevor@kyte.global
